## **Japanese Day Celebration**

SBES always strives to embed in students the cultural value of different parts of the world. To make students familiar with Japanese culture, Student Council of Sai Balaji Group of Institutes organized Japanese cultural day on 11th February 2020 in the Institute campus. Japanese delegates were invited, and various Japanese cultural performances keeping in mind Japanese culture were presented before them.

Students even organized a Japanese Project Exhibition where right from bullet train to the quelling art of Japanese culture was depicted by projects made by students. Japanese delegates initiated writing names of students in Japanese language. All enjoyed writing their names in Japanese. An old Hindi movie song sung by the Japanese delegate took the stage on storm. Finally the day celebration ended with prize distribution to exhibition winners.
