**ALUMNI PORTAL**

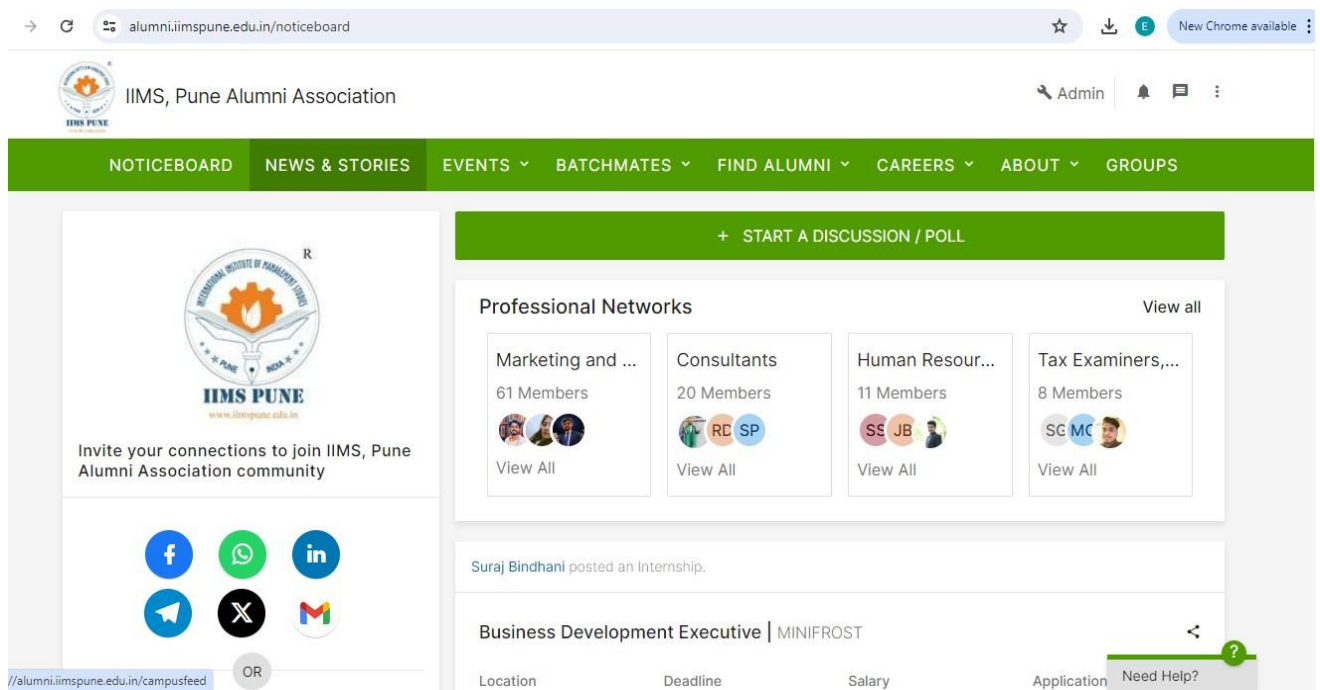

To improve its network with the Alumni new tailor made platform has been acquired from AlmaShine which is helping us to keep in touch with the current Alumni in our database and also to get in touch with other Alumni who are on the social network but not in our database.

Portal helps us to keep track of Alumni - location wise which is very useful for opening new alumni chapters in India and abroad, where ever there is a large concentration of alumni to connect, collaborate and communicate with the alma mater.

The portal assists us in following ways:

- Alumni Database
- Engaging the Alumni
- Plan & Organize the Alumni Events
