National Defence Academy, Khadakwasla Visit

The students of the 2025–27 batch had the privilege of visiting the prestigious National Defence Academy, where they witnessed the discipline, dedication, and rigorous training of the cadets. The visit offered valuable insights into military leadership, teamwork, and patriotism, inspiring students to strive for excellence in their own fields. Exploring iconic landmarks like the Sudan Block and observing Air Force training aircraft made the experience even more memorable. This enriching visit strengthened our respect for the armed forces and highlighted the values of commitment, resilience, and nation-building.

Case Club - Pricing Framework & MECE Framework

A session of the Case Club at IIMS focused on the Pricing Framework and MECE Framework, providing students with valuable insights into strategic business decision-making. The session explored different pricing methods such as Cost-Based, Value-Based, and Competition-Based Pricing, along with a practical case study to understand their real-world application. Students also learned about the MECE (Mutually Exclusive, Collectively Exhaustive) Framework, which helps in solving problems through structured and logical thinking. The session enhanced participants' understanding of pricing strategies, analytical frameworks, and effective problem-solving techniques essential in the corporate world.

Farewell Party - Batch 2024-26

The Farewell Night for Batch 2024–26 at IIMS was a vibrant celebration of memories, friendships, and new beginnings. The DJ & Dine evening brought together students and faculty for a night filled with music, laughter, and heartfelt emotions. The event beautifully captured the spirit of togetherness and celebrated the remarkable journey of the graduating batch. As the seniors prepared to step into the corporate world, the evening became a memorable farewell marking the beginning of an exciting new chapter in their lives.

Alumni & Parents Meet - Nagpur Chapter 2026

The Alumni & Parents Meet – Nagpur Chapter 2026 organized by IIMS was a heartwarming gathering filled with reconnecting, memories, and meaningful conversations. The event brought together alumni, parents, and faculty members, creating an atmosphere of warmth, gratitude, and celebration. It was a wonderful opportunity to reconnect with former students, hear about their journeys, and strengthen the bond between the institution and its extended family. The evening was made even more special by the presence and support of parents, making it a truly memorable and cherished occasion.

Transformative Learning Session

IIMS successfully organized an insightful workshop on “Workplace Dignity & Safety: A POSH Awareness Session” for the Batch 2025–2027. The session was conducted by Advocate Shreya Kalekar, who shared valuable insights on the POSH Act (Prevention of Sexual Harassment at Workplace) and emphasized the importance of workplace safety, respect, and professional ethics. Through interactive discussions and practical examples, students gained awareness about employee rights, responsibilities, and creating a secure work environment. The engaging and informative session empowered students with confidence and understanding, making it a truly meaningful learning experience for everyone.

A person wearing a light blue shirt is sitting at a dark wooden desk, writing in an open notebook with a black pen. A laptop is partially visible to the right. The background is a solid orange color. On the left and right sides, there are decorative geometric shapes in various colors (green, blue, purple, red, orange) that look like stylized arrows or chevrons pointing towards the center.
